Yes, correct! I was under the impression that overtime was not available in these current situations – is that what you're suggesting, as well?

Good morning, Marietta!

Debra, Shanta and I are all working in conference, while I'm writing this email. However, in one of many conversations with Shanta (and Debra) yesterday, Shanta mentioned that you offered to direct me to the appropriate form for requesting compensatory time, in order for Debra and Shanta to track any work time completed this weekend, as required. As you know, I had asked the Aldicarb team to keep records of their time expended beyond working hours for the aldicarb project, but the weekend situation is even possibly even more concerning for the staff level employees, in my opinion. However, knowing that Dan Kenny is out of the office today and that he may have used a similar request and form for his dicamba team; so, I regrettably am asking for your assistance, in this regard. Nonetheless, many thanks for your assistance!

Best regards,

Marion J.
